Dear MOM,

Thanks for giving birth to me. I can't thank you in any words.

But I'm so glad to be your daughter. Thanks mom for everything you have done for me - your love, your care, your support and everything.
Thanks for ^{everything} I hope I will never make you disappointed in any matter and never hurt you.

I love you because for everything you have done for me there is no one like you and no one can't replace you. It is because you are the best mother.

I love you because you have given me everything, all the love and support I need, and it always stands with me. No words can describe you, my mom. I always love you!

Love,
