Writing Competition – Mother's Day

Dear Mum,

**Thanks** for giving birth to me. I will cherish life

I remember when I was 1 year old, I came to Hong

Kong. Everytime I thought of you, I cried in the toilet.

**I love you because** you love me no matter where

you are

**I love you because** you work hard and take care

of my brother every day.

Happy Mother's Day!

Love,

Ella
