Writing Competition – Mother's Day

Dear mother,

Thanks ^{being loyal and} for always being there for me
and helping me when I have problems.

You also encourage me when I feel sad. I am very
grateful of it. ^{and the kindest}

I love you because you are the best mother
ever.

I love you because you are very hard-working
at home and we also have great times
together.

Love,

Ka Shing
