

Halloween Comic Strip Competition

Name Moses Siu (12)

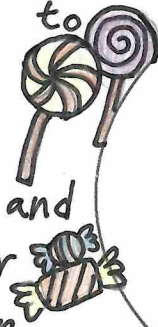

Class: 4A

I need to build back my nose and mouth to become a real man.

I need to fill up with different candies and lollipops for children.

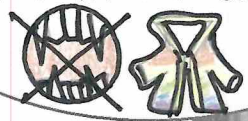

Um..... I don't know what I can do

It seems to have a big construction on me

I need to extract two zombie teeth and dress more colourfully

Today we discuss how to become a lovely person and every child will love me.
